

DEVELOPER'S UPDATE

August 2020

Barber Junction Postal Pavilion

Construction on the permanent Barber Junction postal pavilion has begun; the project should be completed by before the end of the year.

Barber Junction traffic

In recent weeks there have been issues with floaters driving from alleys to Eckert road across people's lawns. In an effort to curb this behavior we have placed large stones similar to others found throughout the project in strategic locations to help with this issue.

Murray Ponds

Murray Ponds on the north side of the greenbelt is in the process of having the final fencing completed. There have also been a few more trees (Willows this time) planted around many of the ponds in the past few weeks.

Harris Ranch Calendar

We would love your photo submissions from Harris Ranch and the surrounding area to include in the Harris Ranch 2021 calendar.

Accepting submissions through December 11, 2020. They can be emailed to: admin@lenirltd.com
