DEVELOPER'S UPDATE

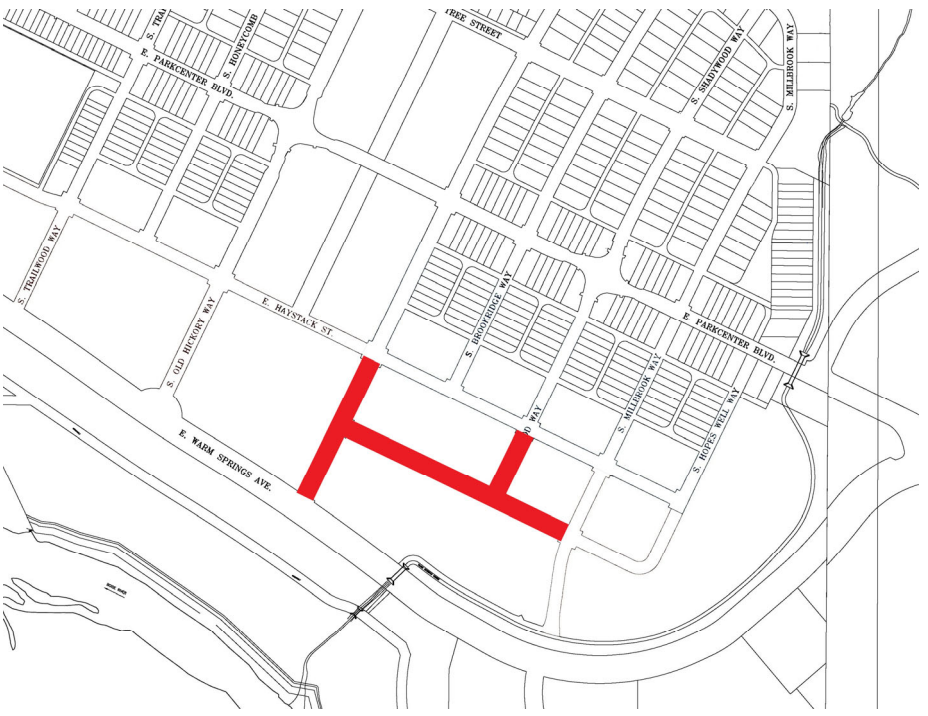
July 2021

Flag installation

In July a new flag was placed in the roundabout near the fire station. Flag was provided by Harris Family Limited Partnership.

Road construction

For those of you enjoying the Switchback this summer please note that we will be working on a new section of road in the area over the next few months. The areas marked in red will be a few of the areas under construction. Please be advised that we will be closing the Warm Springs by-pass in mid to late August for the Warm Springs work in this area and some work up by the fire station. Warm Springs will be closed for 4 to 6 weeks during this time. Signs will be put up shortly and we will keep you



advised on when the road will re-open.

Harris Ranch Community Infrastructure District (HRCID)

Unfortunately there is a lot of misinformation being perpetrated regarding HRCID. Please feel free to go to the link below regarding a recent informational meeting about the HRCID.
